Drug Abuse Hotline: 1-877-761-0176

Welcome to the Jasper County Co-Occurring Disorders Court program.

This Handbook is designed to answer questions, address concerns, and provide overall information about the Jasper County Co-Occurring Disorders Court. All participants are encouraged to share this handbook with family and friends who will be supporting you in your recovery.

The first three rules that will help you through this program more than anything else:

1. **Show Up:** this is not a regular court, we will work with you as long as you show up and are making an effort. At first, there will be many appointments and court appearances. Don't get overwhelmed – just show up when and where you are supposed to be.
2. **Be Honest:** If you are truthful with the team, we can work with you through almost any problem. Lying to your team (or yourself) will keep you from success.
3. **Accept Responsibility and Help:** Take responsibility for what you have done and what you need to do. Take the help we are offering.

What's in it for you?

Many people come to Treatment Court to avoid going to prison. Others are here because they want to get their kids back or just need help in recovery. Regardless of your initial motivation, we want to help you succeed by connecting you to help and resources. Upon successful completion, the penalty on your criminal case may be reduced or even dropped.

Eligibility Criteria

To participate in the Treatment Court program, you must fill out and turn in an application for the program. Applications can be found in courtrooms or on the Jasper County Treatment Court's webpage. The Treatment Court Administrator along with the other members of the Team will determine eligibility by assessing each applicant based on need, risk, history, and other factors. If accepted, you must be willing to sign the contract at the end of this manual and abide by the requirements. Your attorney can help you with this process.

Phase and Advancement

There are five (5) phases in this program. You must successfully complete all requirements of a phase before you can be promoted to the next one. While there is a minimum length of time for each phase, the length of time you spend in this program will be based on your individual progress. It is important for you to know that we do not expect perfection but we do expect you to show progress. You do that by showing up, being honest, and taking accountability.

When you are ready for the next phase, turn in an application for phase advancement. These are available from your probation officer or on the Jasper County Treatment Court website. It is important to turn in the application at least three days prior to your expected promotion date so that the Treatment Court team has the opportunity to review and discuss if you are ready.

Program Rules

As a participant, you will be required to abide by the terms and conditions outlined in the Participant Contract. This contract is located at the back of this manual and online. The following pages include an explanation of some specific requirements.

Treatment Court Program Overview

	Phase 1 (Step In)	Phase 2 (Small Steps)	Phase 3 (Step Forward)	Phase 4 (Step Firm)	Phase 5 (Step Up)
Minimum Length*	2 months	4 months	5 months	4 months	3 months
Court Appearances	1 st & 3 rd Tuesdays or as directed	1 st & 3 rd Tuesdays or as directed	Once a month or as directed	Once a month or as directed	Once a month or as directed
Probation Officer	Weekly	Every 2 weeks or as directed	Every 2 weeks or as directed	Once a month or as directed	Once a month or as directed

Other	Individual treatment plan, Start process to obtain State ID	Present relapse prevention plan to court, obtain State ID	Begin MRT	Complete MRT Present aftercare plan to court	Clean hair follicle test

Court Appearances

The requirements for each phase tell you how often you are required to attend court. The schedule is located on the second page of this manual. There may be situations that the Commissioner (Judge) or Probation Officer tell you to appear for court at a different time and must attend as directed. Always be on time and dressed appropriately for court. While in court, you should be prepared to discuss your progress with the Commissioner. You are expected to

maintain a respectful attitude at all times toward staff and other participants. Cell phones are not allowed in the Joplin Courts Building.

Probation Supervision

You will be assigned a Probation Officer (PO). He or she will set up a schedule with you so you know when and where to report. It is your PO's responsibility to monitor your living conditions, community service, employment, fee and restitution payments, and other requirements. To do this, your PO will make announced or unannounced visits to your house, work, school, or community service locations and may require you to document your activities. Your PO will report to the Commissioner regarding your progress. It is important to understand that while your PO is responsible for your supervision, he or she is also trained in substance use disorders and the recovery process. They are here to help you succeed.

Treatment Requirement

This manual does not give details about how often you will go to treatment because that will be based on your individual needs. Your treatment provider will develop a treatment plan following an overall assessment of your needs. The total number of hours will depend on your individualized plan. The plan will act as a guide during your recovery and will be maintained by your treatment counselor and will be updated and expanded as you progress through the program.

It is important that you SHOW UP and be HONEST with your counselor. If you must miss a session, make sure you call your Treatment Provider before the session. If you miss a session without calling in prior, you will be issued a sanction.

Inclement Weather Policy

If Jasper County Courts close, you do not have to appear for Treatment Court or drug testing. You must still call in to TOMO. Your Probation Officer may direct to report for testing later that day. If you are scheduled to meet with your Probation Officer, treatment provider, case manager, or other requirement, please call that person to confirm availability. It is important for you to have a transportation plan during winter weather. When possible, plan ahead.

Confidentiality

Your identity and privacy will be protected consistent with Missouri law. In response to these regulations, policies and procedures have been developed which guard your confidentiality. You will be asked to sign a release of information authorizing the transfer of information among all participating agencies as well as a release of liability. This means that the Team will discuss your progress. You are also expected to respect and maintain the confidentiality of others and can be held accountable for breaching confidentiality.

Drug & Alcohol Testing Procedures

The Jasper County Treatment Court uses both regular and random drug/alcohol screenings throughout the Co-Occurring Court program. The number of tests you will have will depend on

your phase and need. If you are having trouble staying sober, you may be required to test more frequently.

TOMO Procedures

- Every day call 1-800-494-1250 between 4:30 AM and 7 AM unless or until directed otherwise
- Every day, call from your personal phone and enter your call-in code when prompted
- If selected to submit a drug test, report between 6 a.m. and 9 a.m. to TOMO Drug Testing located at 705 Illinois Ave, Suite 12A Joplin, MO 64801
- TOMO staff will observe you while you are giving a sample
- TOMO staff will discuss your test with you. If you have a positive test and you disagree with the results, you have the right to request that the test be sent off for a lab confirmation. If the lab confirms the onsite results, you may be assessed the cost of the lab confirmation.

In addition to the call-in code system, you may be asked to submit to testing during home visits, court sessions, or meetings with your probation officer or treatment provider. Drug test results will be shared with all other Treatment Court team members. In addition to submitting urine samples for drug testing, you may be asked to submit a sample of your breath for alcohol testing, blood tests, and/or to hair follicle testing.

Missed UA Policy & Sanction Schedule

You are expected to personally call in and report for all drug and alcohol testing as required. In general, the consequences of missing a UA are more severe than a relapse. Any time you miss a call in or scheduled drug and alcohol screening, two sanctions will automatically trigger. Second, a missed test will re-start your program sobriety days over which will delay your opportunity for phase advancement; prolonging your time in Treatment Court.

In addition to the above responses, the following sanction schedule will apply:

1 st Missed Call-in/UA	Present written paraphrase of UA Policy to Court
2 nd Missed Call-in/UA	Present written paraphrase of UA Policy to Court; <u>and</u> One (1) hour of jail detention cleaning to be completed by Friday after your missed UA or as directed by your PO
3 rd Missed Call-in/UA	Present written paraphrase of UA Policy to Court; <u>and</u> Two (2) hours of jail detention cleaning to be completed by Friday after your missed UA or as directed by your PO
4 th Missed Call-in/UA	Present written paraphrase of UA Policy to Court; <u>and</u> Three (3) hours of jail detention cleaning to be completed by Friday after your missed UA or as directed by your PO; <u>and</u> Up to two days in jail (may be suspended).
5 or more - missed Call-in/UA	Present written paraphrase of UA Policy to Court; <u>and</u> Three (3) hours of jail detention cleaning to be completed by Friday after your missed UA or as directed by your PO; <u>and</u> Up to 2-3 days in jail to be served as ordered by the Court.

Missed call-ins, missed reporting, or inability to provide a sample will be treated as a positive (dirty) test. Altered or diluted samples will count as a positive (dirty) test and may result in additional sanctions.

If you are sick, have a family emergency, or other unforeseeable issue, it is your responsibility to call your Probation Officer to make them aware as soon as you can. Be prepared to provide documentation of the issue. If appropriate, the Probation Officer will forward the request to be excused to the Court. Only the Commissioner can excuse your absence. Work or school conflicts will not excuse a missed UA because you can make arrangements prior to missing. Employment is not an acceptable reason to fail to report for drug testing.

Alcohol and Drug Use

Treatment Court is an abstinence program. As such, we expect you to not use alcohol or any mind-altering drugs even if they are legal to purchase or consume. This includes energy drinks containing alcohol, marijuana, kratom, CBD, or synthetic cannabinoids such as K2, Delta-8 and Spice, bath salts, alcohol including non-alcoholic beers and food cooked with alcohol. ethyl-alcohol (ethanol) based products and/or foods including but not limited to medications including NyQuil, hand sanitizers, mouthwash, shaving creams, cologne, insect repellent, body wash, vanilla/almond extract, and herbal extracts.

You are responsible for anything that you ingest or apply to your body, will be considered non-compliant by using other persons smoking products or other consumables which results in a positive test for any non-prescribed narcotic or alcohol. You are not to associate with people who use or possess illegal or non-prescription drugs, nor be present while drugs, inhalants, or alcohol are consumed by others. This includes casinos and bars. You are not to purchase or possess ephedrine or pseudoephedrine products without a doctor's note

Controlled Substance Policy

This Jasper County Treatment Court closely monitors the use and possession of controlled substances as defined by the Controlled Substances Act (CSA). Any use or possession of a controlled substance must be prescribed or recommended by a medical profession and is subject to verification. Participants may use prescribed, FDA-approved medications, specifically including prescribed Medication Assisted Treatment (MAT), according to the frequency, amount and any other directions given by the prescribing health professional. Participants are subject to testing and to searches of their home, vehicle, person, or other areas under their control to ensure that medications are being used in accordance with the prescription. Participants will be required to sign any releases necessary to allow CODC staff to confirm the prescription and to communicate with the prescribing health professional. This policy is intended to facilitate effective substance use disorder treatment for our participants.

- **Before** obtaining any controlled substance, the participant shall provide the Medical/Dental Medication Form to the prescribing, recommending or supervising physician or nurse practitioner (“Medical Professional”).
- The participant will be required to return the completed form to the Treatment Court Administrator within two business days of receiving the prescription.
- Medical Professional must provide documentation of the following in writing within two days of any recommendation of use of a controlled substance:
 1. Length of physician-patient relationship;
 2. Diagnosis or qualifying medical condition which necessitates the use of a controlled substance;
 3. Attempted alternative treatments which have been tried and deemed ineffective and/or insufficient;
 4. Prognosis for how long such treatment is anticipated to be necessary;
 5. Appropriate dosage and method of ingestion of the controlled substance; and
 6. Acknowledgement of Missouri licensure including area of practice and whether the physician is in good standing in the State of Missouri;

This information must be updated every six months or with any change, increase, or decrease of recommendation. Merely providing proof of the prescription or certification of a qualifying medical condition will be insufficient to satisfy this requirement.

- Participants shall follow the dosage and method of ingestion as provided by the Medical Professional. Participant will provide the Treatment Court Probation Officer with the purchase receipts for all controlled substances which must include: the date, location and amount of the purchase. All medications are subjected to compliance checks and the participant is required to provide the supply to the supervising agent to allow him/her to confirm compliance.
- Participation in Treatment Court is subject to grant guidelines including treatment provider grants as well as those issued directly to the Treatment Court.
- A participant’s failure to follow these guidelines and procedures while possessing or consuming a controlled substance may subject the participant to sanction or termination from the Treatment Court program. Participants who remain in strict compliance with the above guidelines and procedures will not be sanctioned for the use of a controlled substance.

Nothing in this policy is intended or designed to suggest, imply, or waive any federal statute or law. Use or possession of any controlled substance under this policy may still be considered a violation of federal laws and requirements of probation or parole.

Program Fee

Treatment Court has a \$400 program fee. Each participant must pay as directed by the Probation Officer. You may request their fees be lessened due to financial hardship. These requests will be reviewed and discussed by the treatment court team on a case by case basis. Participants will not be held back in their phase due to financial hardship. If you leave or are terminated from the

program, you will forfeit any money paid toward the fee. Fee payments will be reported to the judge as part of your regular progress report. The fee must be paid in full prior to graduation. In addition to the program fee, you may incur treatment-related costs.

Volunteer Hours/Self-Improvement

As a participant of Treatment Court, you will be given a minimum 75 hours of volunteer work. For some of these hours, you may choose where you volunteer from our list of approved or you can suggest one of your own. At least 25 hours must be completed as a Community Project. A Community Project is exactly what it sounds like: project that you do to benefit our community. It is your way to give back to the community. Each Project will be a minimum of 25 hours and can be used toward your overall volunteer hour requirement. You must present your Project to the Court for approval before getting started. The Team can provide ideas about potential projects but we encourage you to tap into your own talents and interests.

Participants may also earn up to 10 volunteer hours on personal growth and development. These hours will differ from person to person but might include fitness, parenting education class, budgeting, job readiness, meditation, or trying something new. The Treatment Court Team can help you find resources if there is an area you want to improve.

Participants may also purchase up to 10 volunteer hours at minimum wage (currently \$12/hour). These are used to support area activities and events or to provide materials to non-profit organization(s) in the area.

You must provide documentation of your volunteer hours to your probation officer who will verify and report to the Court. All volunteer hours **must** be completed prior to moving the final phase of the program.

*For participants who are assessed more than 350 hours of volunteer service, 50 hours can be completed as self-improvement and an additional 50 hours can be purchased at the rate above.

Employment/Education Requirement

Financial stability is very important to your continuing recovery and ability to maintain sobriety. Starting in Phase 3, you **must** maintain full-time employment or be enrolled in an approved academic program (see below). If you are already on SSI (disability) when you begin the program, the employment requirement will be waived but you will still be required to complete volunteer work in our community as directed by your treatment court team. Your probation officer will work with you to find volunteer work that you can do with your disability. A participant may choose to enroll in school rather than obtain full-time employment if approved by the treatment court team. If approved, a participant must be enrolled full-time in an accredited academic program (the equivalent of 12 hours per semester) unless alternative arrangements with your probation officer are made. The class schedule cannot consist of more than six hours of online classes. The probation officer will require written verification of attendance, syllabus,

assignments, etc. Participants must maintain a 2.0 GPA. During summer and winter breaks, participants must work full time and volunteer in the community each week that school is not held.

Moral Reconciliation Therapy

Moral Reconciliation Therapy (MRT) is a type of behavioral therapy aimed at decreasing the likelihood of someone returning to abusing substances or alcohol. Through structured groups and a workbook, MRT teaches people in the criminal justice system with substance use disorders to focus on the moral aspects of their illness, and the social consequences that may be associated with using drugs or alcohol.

Community Support Groups (12-Step Meeting Attendance)

Attendance of community support groups such as, but not limited to, Narcotics Anonymous and/or Alcoholics Anonymous will be part of your recovery. The number of required meetings depends on the phase or your treatment plan. It is required that you arrive to meetings on time and that you stay for the entire session. You are responsible for maintaining your own log but please note that **only** the meeting's chairperson can sign the log. We count meetings from Sunday through Saturday. You may not double up on meetings without prior approval from your probation officer or treatment provider. You must present your verification logs, proof of employment, and volunteer work/self-improvement to your probation officer as directed.

Alumni Group

We recognize that you may have challenges after graduation. The Alumni Group was established as a way to encourage and promote recovery lifestyle through mentoring and fellowship. The Alumni Groups can provide accountability, a chance to do the service work that can be a key to ongoing recovery, and a way to stay connected to the organization that helped them get their start on the road to sobriety. They also provide an important service to new participants who are not as established in their recovery while they adjust to the program.

The Alumni Group offers pro-social activities (picnics, bowling, dinners etc.) in order to help current participants and graduates reinforce pro-social connections and the knowledge that one can have a good time being sober and in recovery. The group meets on a bi-weekly basis at ROCC or other designated site and they welcome current drug court clients, staff member and visitors.

Dress Code

The following dress code applies to all court sessions, probation meetings, and treatment sessions. As a participant you will be expected to wear a shirt or blouse, jeans, pants, dress, or skirt of reasonable length (inch above the knee). The following items will be considered inappropriate: clothing bearing drug/alcohol related use or themes, clothing with vulgar or profane words, clothing depicting violence or sexual acts, muscle shirts, tank tops, halter tops, shorts, cut-off jeans, baggy pants that fall below the hips, pants with holes, and hats (except those

worn for religious purposes). Sunglasses are not to be worn inside the Courtroom or treatment center unless medically approved. If you appear in Court with inappropriate attire, you will be asked to leave and it will count as an unexcused absence. Speak with your Treatment Team if you need assistance with obtaining appropriate clothing.

Home Visit Guidelines

Home visits will serve as a way for court officers to become better acquainted with your family and assess living conditions. Home visits will be conducted randomly at any time day or night. They will be conducted in a professional and discreet manner. Your person/home/vehicle may be subject to search without a warrant for drugs, drug paraphernalia, and alcohol. People living at your residence should be advised that the **entire** home will be subject to inspection. If you are not at home when a home visit is attempted, the court officer will leave a business card. You **must** call back as soon as you return home no matter what time you return.

Association/Relationships with Other Treatment Court Participants

You cannot live with or have a relationship with anyone participating in a Jasper County Treatment Court. If you wish to request to be allowed to associate with or have a relationship with another participant, you must make a request in writing to your Probation Officer. If the Probation Officer believes your request should be approved, she or he will bring your request to the team. Married couples may be considered for treatment court but may be subject to additional counseling requirements. You will be expected to treat other participants with respect both inside and outside the courtroom. This extends to anyone attending community support or other treatment group. Physical and sexual harassment will not be tolerated.

You may not spend time with or associate with any person convicted of a felony, or with anyone currently under the supervision of the Division of Probation and Parole without **first** obtaining permission from your Probation Officer. It is **your** responsibility to know (or ask) the people you choose to spend about their history.

Incentives and Sanctions

The Jasper County Treatment Court program recognizes that it takes effort to make real change. The team will give you incentives (rewards) when we see that you are doing your best to make positive decisions. Examples of incentives might include gift cards, praise, and travel privileges. On the other hand, you may get a penalty (sanction) if you violate court rules or fail to act as required. Sanctions may include verbal warning, curfew, increased supervision, or other options. A comprehensive list of incentives and sanctions may be found on the Jasper County Treatment Court website or in your binder.

Relapse & Sanctions

The goal of the Treatment Court is to help you achieve total abstinence from alcohol and illicit drugs. We understand that relapses may happen while you are in the program. A positive breath

or urine test will not automatically terminate you from the program. Dishonesty concerning use will result in a more severe sanction. No new criminal charges will be filed against you as the result of a positive breath or urine test, unless a separate crime has been committed. We encourage you to work with your therapist to understand your triggers to prevent a relapse. If you do relapse, we will work with you as long as you take responsibility and an active role in your recovery.

Termination from Treatment Court

In ordering a participant's termination from the program, the Court will consider factors such as the nature of the violation, duration in the program, previous violations, criminal history, participants' desire to achieve sobriety as evidenced from their actions, and others. The following actions will result in immediate termination: distribution of drugs, violent crime, or assaultive, threatening, or abusive behavior toward any member of the Treatment Court staff, other participants of the program, or other clients of the treatment providers. Dismissal from the program will result in your case proceeding to sentencing on the basis of your plea. The reasons for your dismissal will be given to the sentencing judge for consideration. Depending on the nature of the termination, you may be sentenced to a term in the Department of Corrections or be continued on supervised probation.

Graduation

Upon your successful completion of the Co-Occurring Court Program, you will graduate. This is a time for all of us to celebrate you and your success in the program. Graduations are held on a quarterly basis. Upon graduation, what happens to the underlying case depends on the plea agreement but could include release from probation or case dismissal.

Conclusion

Thank you for your participation in the Jasper County Treatment Court. The Commissioner and entire team are here to guide and assist you but ultimately, the final responsibility is yours. We hope you take full advantage of the opportunity that you've been given to change your life for the better.

TREATMENT COURT PROGRAM 29TH JUDICIAL CIRCUIT CO-OCCURRING DISORDERS COURT CONTRACT

Name: _____ Case Number: _____

I agree to enter the Jasper County Treatment Court Program, and by doing so, I understand I will have certain obligations and responsibilities. I will have to follow orders given to me by the Judge, Probation Officer, Treatment Court Therapist, Treatment Court Administrator and other treatment providers involved in the program.

Participant Rights and Benefits

I understand that:

1. The prosecution of the criminal charge(s) against me will be stayed during the time I am in the Treatment Court.
2. The criminal charge(s) against me can be dismissed if I successfully complete the program.
3. The waiver of confidentiality of my treatment records is limited to the length of this contract.
4. I may rescind my waiver of confidentiality at any time and that if I do so before successful completion of this contract, I will be terminated from Treatment Court.
5. I can quit the program at any time, but I understand that if I do so, I can be sentenced to the full range of punishment for the crime under my plea agreement, including a term in the Department of Corrections.
6. If I quit the program, or am terminated, anything I have said concerning my drug usage while in the program cannot be used against me in a trial on the underlying case.

Participant Responsibilities

I agree that my responsibilities are:

1. I must tell the truth.
2. I have read, or has been read to me, the Treatment Court Participant's Manual. I understand that I am subject to all provisions of the manual. I understand that the requirements of the program can and will change from time to time. I agree I will comply with any changes.
3. I must show up for court, treatment, and probation as directed. Failure to do so may result in sanctions, termination, jail, or a warrant.
4. I understand that I must follow the treatment plan as directed.
5. I will provide breath, urine, hair, blood, and/or saliva samples as requested for drug and alcohol testing. Failure to submit or the submission of an adulterated specimen will result in a positive test.
6. I understand that participation in the Treatment Court requires me to be drug and alcohol free at all times. I will not consume, use, purchase, possess, or manufacture any illegal or non-prescription drugs, inhalants, or alcohol. I will not associate with people who use or possess

illegal or non-prescription drugs, nor will I be present while drugs, inhalants, or alcohol are consumed by others. This includes casinos and bars.

7. I will not purchase or possess ephedrine or pseudoephedrine products without a doctor's note or prior approval from my probation officer or members of my treatment team.
8. I will not purchase, possess, or use any kratom, bath salts, K2, Spice, synthetic cannabinoids, herbal smoking blends, "herbal incense," Delta-8 or any other mood-altering substance or chemical without a doctor's note or prior approval from my probation officer, regardless of legality.
9. I will not consume, use, purchase, possess, or manufacture any of the following:
 - Alcohol including non-alcoholic beers and food cooked with alcohol.
 - Ethyl-alcohol (ethanol) based products and/or foods including but not limited to medications, hand sanitizers, mouthwash, shaving creams, cologne, insect repellent, body wash, vanilla/almond extract, and herbal extracts. I further understand that it is my responsibility to read product labels before I consume, apply, or use any of the above.
10. I will provide my treatment provider with a list of all prescribed and over-the-counter medications that I am taking and update that list within 24 hours if changes occur.
11. I must not violate the law, and I understand that if I engage in any criminal act, I can expect to be terminated from the program and be prosecuted for the pending charge(s). I must notify the probation officer within 24 hours of any arrest, citation, or charge including traffic offenses.
16. I must live (reside) in Jasper County throughout the duration of the program. I agree to not leave the Jasper/Newton county area without specific approval of my probation officer or the Co-Occurring Court Commissioner. If approved to leave the area, I understand that I may have to wear a drug patch or other monitoring device with cost incurred to be paid by me. I must obtain prior approval from my probation officer before I change residence and before I change/disconnect my telephone number.
12. I will not associate with anyone with a felony conviction or on supervised probation without approval from my probation officer. It is my responsibility to know with whom I am associating.
13. I will not live with or engage in a continuing social relationship of a romantic or intimate nature with anyone participating in a Jasper County Treatment Court unless I have prior permission from the Court.
17. I must obtain and maintain verifiable full-time employment, education, or combination thereof. After 90 days in the program, if I am still unemployed or not enrolled in an approved academic program, I will perform volunteer work each week until I find a job. I will provide written verification of all employment, education, and community service hours. I must obtain prior approval from my probation officer before I quit or change my employment.
18. I will not possess a firearm or a knife exceeding six inches (6") in blade length while in the Co-Occurring Court program. I will bring no weapons of any kind to the Co-Occurring Court treatment center.
19. I will submit to a polygraph or Computer Voice Stress Analysis (CVSA) when requested.
20. I waive the right to confidentiality of my treatment records obtained in connection with the Treatment Court program and agree to communication of same to and between members of the Treatment Court Team.
21. I must inform all treating physicians in writing (Notice to Ant Healthcare Provider) that I am a recovering addict and may not take narcotic or addictive medications. If a treating physician

wishes to treat me with narcotic or addictive medications or drugs, I must disclose this to my treatment provider within 24 hours unless it is an emergency situation. I must notify and provide documentation to my treatment provider of all prescriptions medications that I am taking and any changes to those prescriptions.

22. I agree to pay the Treatment Court fee as directed.
23. I understand that participation in the Treatment Court program involves a minimum commitment of eighteen months. It may last longer if I violate this contract or fail to progress in the program.
24. If restitution is owed, I must pay this amount in full as ordered by the Court.
25. I will submit to a search of my person, residence, vehicles, papers, cell phone, computer, and/or effects at any time with or without warrant, and with or without probable cause, when requested by my probation officer, Treatment Court Team and/or law enforcement.
26. Failure to follow the responsibilities listed in this contract and in the Treatment Court Participant's Manual may result in sanctions. I have reviewed the Sanctions section of the manual and agree that any of the listed sanctions may be imposed if I violate this contract or fail to progress in the program

I have read the above contract and I understand what I have read. I am willing and voluntarily entering into this agreement with the Jasper County Treatment Court Program.
